

Hahn Enterprises was proud to attend the AIA Louisiana Design Conference earlier this month. We enjoyed meeting your membership and appreciate the time spent with each of you.

If you have projects that include gymnasium, playground, or recreation equipment including bleachers, basketball goals, playground equipment, shade structures, or other amenities, please keep us in mind! You can view our website at www.hahn-enterprises.com or contact me at tania@hahn-enterprises.com for pricing and/or specs.

Thank you,
Tania
