

## **Gym Floor Protection is an Important After Thought!** **All Gymnasiums, LA**

With all the new gym floors being installed and existing floors being refinished this summer, it is important to know how to protect them during events like dances, graduations, and banquets. Hahn Enterprises is the local distributor for CoverMaster Gym Floor Covers and have provided covers for Plaquemines, St. Bernard, Orleans, and many other School Boards throughout Louisiana.

Gym Floor Covers from Covermaster are the safest covers available today. Both the Ultima Series vinyl cover surfaces that store on portable roller carts and the CoverTile protective tiles, 1M x 2M that lay flat and are easy to remove and store, are ADA compliant with high, slip resistant co-efficiency ratings. All our covers are fire retardant and comply with all five fire resistant standards.

Please contact us if you would like pricing or more information on the CoverMaster product, or help with other equipment in your park, playground, gymnasium,
