

## **Millwood State Park Uses NJPA Discount to Purchase Pavilion Ashdown, AR**

The NJPA (National Joint Powers Alliance) contract that Poligon, Little Tikes, and National Recreation Systems have been awarded is a government-sourcing program that assists public agencies in the cost of their purchased goods by pooling purchasing power. NJPA members enjoy quality products, like the Poligon pavilion with custom stone columns as shown above, and nationally leveraged pre-determined contract pricing.

School boards, state parks, and other governmental agencies in any state can

purchase items without going thru the tedious bidding process - the pricing has already been negotiated! Check with your administrator to see if you are a member, or we can help you join, if not.

As always, if you have a project that includes gymnasium equipment, indoor/outdoor bleachers, playground equipment, or safety surfacing, please contact us. We are licensed in LA, MS, and AR and would be happy to help with design, budget, and installation.
