

## **Zemurray Park Improvements Phase II Hammond, LA**

Zemurray Park is a center piece for the city and host to many gatherings and community events throughout the year. The community has grown over the years and needed additional playground equipment, pavilions, walking paths, and fishing piers.

Hahn Enterprises helped the engineers design a custom Little Tikes Commercial KidBuilder unit for the 2-5 age group including No Fault's poured-in-place rubber surfacing. We also helped design (2) Poligon shelters with picnic tables to add to their existing facility. In working from start to finish on this project, Hammond will have everything in place for the Christmas holidays!
