**Happy 15 Year Anniversary,
Hahn Enterprises!**

Where Does the Time Geaux?!? New Orleans, LA

What an amazing 15 years we've had! Starting out in my home office in 2001 with a desk, computer, and land line to the present office building in Mid City with (2) full -time (and best ever!) employees, it's been a wonderful journey. Over the years, our projects have ranged from new, high tech facilities to face lifts of older ones - both deserving of the same time and dedication from us.

It's hard to believe we have literally completed thousands of projects throughout the state - and worked with hundreds of architects, engineers, general contractors, school boards, parish governments, coaches, and others to offer children and adults the opportunity to be involved in recreational activities.

I truly appreciate the trust you, our customers, place in us to provide quality products, top notch customer service, fair pricing, and timely installations. THANK YOU and I look forward to the next 15 years and beyond!
Tania
