

New St. James Parish HS Installs Bleachers in Multiple Areas Vacherie, LA

The state-of-the-art St. James Parish HS will open in August and includes Sheridan Seating telescopic bleachers in many locations. The ground floor of the main gym has standard forward folding bleachers with school initials; the terrace level bleachers are rear folding so extracurricular activities can take advantage of the large open space behind; and the secondary gym has smaller bleachers for gym classes.

Sheridan Seating offers free multiple color seat module options so schools can customize their bleachers. Along with

offering double the steel understructure supports as other manufacturers, and competitive pricing, Sheridan bleachers are being installed in many new and existing schools throughout the region.

If you have a project that includes gymnasium equipment, indoor/outdoor bleachers, playground equipment, or safety surfacing, please contact us. We are licensed in LA, MS, and AR and would be happy to help with design, budget, and installation.
