

Haughton High School Builds State of the Art Campus Haughton, LA

Hahn Enterprises has worked with the Bossier PSB for decades providing indoor and outdoor bleachers, basketball goals, and other gym and recreation equipment. When they decided to build a new state-of-the-art school, they turned to us to help make their gym a first class showcase!

The Sheridan Seating bleachers hold over 1,200 people and were designed using the school colors and include initials in the end section. Vinyl end curtains close off the open ends of the bleaches so balls can't get under them. The NFPA aisles and ADA seating ensure compliance with all current regulations. All in all, a perfect match for this unique facility. Dak Prescott would be proud of his Alma Mater!

If you have a project that includes telescopic bleachers, gymnasium equipment, outdoor bleachers, or recreation equipment, please contact us. We would be glad to supply budget pricing, specifications, and/or drawings to help.
