

Golden Nugget Casino Opens New Outdoor Concert Venue with VIP Seating **Lake Charles, LA**

The Golden Nugget Casino decided (6) weeks ago to add 1,000 VIP seats in their new outdoor concert venue and tasked Hahn Enterprises to make it happen! National Recreation Systems provided drawings within days for review and approval and produced the bleachers with plastic seats and backrests as quickly as possible during their busiest month. Our installation crew even worked over the July 4th weekend to complete the project!!

Although this project faced some site issues

and timing challenges, we were all able to work together to finish on schedule and provide the owner the venue they had envisioned.

If you have a project that includes gymnasium equipment, indoor/outdoor bleachers, playground equipment, or safety surfacing, please contact us. We would be glad to supply budget pricing, specifications, and/or drawings to help.
