

A New Sports Complex is Created at N.P. Trist Middle School!

Meraux, Louisiana

The St. Bernard School Board had a vision for the empty land behind N.P. Trist Middle School - a sports complex including new baseball, softball, and soccer fields. Hahn Enterprises helped make this dream a reality with Poligon dugout & bleacher covers; Douglas Industries soccer goals, foul ball poles, poly fence cap, outfield pads, & bases; and National Recreation Systems bleachers & players benches. The project will be completed in time for the new school year - and what a surprise awaits the kids this fall!

If your facility needs outdoor equipment, playground equipment, shade structures, or other indoor gym equipment please let us know. We can help with budget pricing, specs, and drawings for these and other recreation equipment projects. Please contact us for further details.
