

Miracle Field of New Orleans Gets a Brand New Look!

New Orleans, LA

Miracle Field was in desperate need of new surfacing and the Miracle League of New Orleans turned to Hahn Enterprises for help! We recommended NoFault's poured-in-place, seamless rubber surfacing as the perfect solution. It took us several weeks to remove the old surfacing, repair the sub-base, and install over 16,000 SF of rubber - but the effort was clearly worth the results!!

The vision of the Miracle League is to provide any disabled child, regardless of their level of disability, the opportunity to play league sports and enjoy the emotional and physical benefits of being a part of a team sport.
