

Riverside Academy Upgrades Their Playgrounds

Reserve, Louisiana

Riverside Academy is making improvements to their facilities during the 2017-18 school year including upgrading their playgrounds! Hahn Enterprises helped design (2) Little Tikes Commercial playstructures, (1) for the 2-5 age group and (1) for the 5-12 age group and included plastic border timbers and NoFault rubber mulch. The playground met their budget and space requirements and included Hahn removing their old wooden equipment.

If you plan to renovate your playground and/or add a new playground, we can help! Playground equipment, surfacing, site amenities, and shade can be part of the free design service we offer. Please contact us for further details.
