

New Youngsville Recreation Center Offers Something for Everyone!

Youngsville, LA

The Youngsville community, just south of Lafayette, has seen rapid growth in the past few years. To give residents state of the art recreation facilities, money was allocated to build a Baseball, Softball, and Tennis complex (completed in 2013), and an Indoor Recreation complex (in final stages now). Hahn Enterprises supplied the bleachers and shade structures at the outdoor complex; and recently installed (12) basketball goals, custom wall pads, (3) divider curtains, (4) volleyball systems, telescopic bleachers, and aluminum tip 'n roll bleachers in the indoor complex! This is our largest single project in our (almost) 15 year history!!

Hahn Enterprises worked with the architect through the design phase; was the low bidder to the GC; and delivered and installed our products in a timely manner.

Products in Action

All-in-all, a very enjoyable project!

Please contact us if you would like pricing or more information on playgrounds, shades, surfacing, or help with other equipment in your park, playground, gymnasium, or stadium.
