

Head Start Playgrounds Help to Teach & Motivate Young Children S. Plaquemines Elementary School Port Sulphur, LA

Plaquemines Parish School Board has Head Start programs at many of their elementary schools - each requiring specific playground equipment to meet state code requirements. Hahn Enterprises has helped design and install many of these playgrounds to include modular play equipment; independent play pieces; shade covers; trike tracks with storage sheds; and poured-in-place rubber safety surfacing.

Hahn Enterprises is a licensed general contractor and coordinates not only the equipment, but the concrete work, grading, fencing, and all components necessary to provide a turn-key facility!

Please contact us if you would like pricing or more information on playgrounds, shades, surfacing, or help
