

Kingsley House - Patrick F. Taylor Campus New Orleans, LA

Hahn Enterprises completed the new 6-23 month old and 2-5 year old playground areas for Kingsley House in time for their much anticipated grand opening! The areas including Little Tikes playground equipment, ModernShade shade structures, and NoFault poured-in-place rubber surfacing - all designed with the owner, GC, and architects help.

The Patrick F. Taylor Campus allows Kingsley House to expand its high impact early childhood development and education for vulnerable infants and toddlers and compassionate daycare for medically fragile adults and seniors. Their new 24,000 SF facility will provide specialized programs in a loving, nurturing environment to more than 200 of New Orleans' youngest and oldest at-risk residents.

Products in Action

If you would like to explore upgrading your facility with new playgrounds, shades, or surfacing or if your project includes gymnasium equipment, or outdoor bleachers, please contact us for help with design, specs, and/or budget pricing.
