## **Hahn Enterprises Builds New Skate Park, Playgrounds and Fitness Zone at Sidney D. Torres Memorial Park Chalmette, LA**

Hahn Enterprises joined St. Bernard Parish leaders for a ribbon cutting Tuesday, October 24, 2018 at Sidney D. Torres Memorial Park (8301 W. Judge Perez Drive) in Chalmette. St. Bernard Parish school children and community members were excited for the grand opening of several new playgrounds, a fitness zone workout area and a concrete skate park. Hahn Enterprises, which served as the General Contractor for the project, added the upgrades to the park as part of a revitalization and beautification project funded by the St. Bernard Parish Government.

"We were honored to partner with St. Bernard Parish to make these upgrades to Torres Park," said Tania Hahn, President of Hahn Enterprises. "Every playground Hahn builds is truly a labor of love because we know how much families are going to enjoy it, and we are so glad that St. Bernard

Hahn added several structures to the park, including 3 new age-appropriate, ADA certified Little Tikes playground structures. They also installed the parish's first wheelchair accessible playground. There is also a new swing area, rubber surfacing, shade structures and ornamental fence around the playspot.

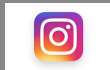

Another exciting new addition is the Gridline Concrete Skate Park. It measures 150-feet by 50-feet and has an 8-foot-deep bowl with multiple ledges. This is a first of it's kind skate park in St. Bernard Parish due to its size and the fact that the concrete was poured in place.

Fitness enthusiasts will enjoy Torres Park's new Fitness Zone. The workout area has 12 stations, including a rowing machine, ab crunch station and pullup/pushup bars. The Fitness Zone also has its own shade structure and rubber surfacing.
