Ready to Play in Plaquemines Parish! Belle Chasse, LA

The Plaquemines Parish Government had an old open-air basketball pavilion in Belle Chasse that was not being used...but had great potential. Hahn Enterprises worked with the owner and general contractor to make the facility look like new!

We added new Douglas windscreens to the recently closed-in and insulated walls; Draper wall & column pads, as well as both walk draw and fold up divider curtains to make four separate basketball courts; National Recreation Systems tip-n-roll aluminum bleachers and players benches; and Eversan portable scoreboards.

The “new” facility is now open and can host tournaments and recreation leagues for the winter basketball season!
