Hahn Enterprises Spruces Up Bell Park Greenwood, AR

Hahn Enterprises has been busy in Greenwood, working to enhance Bell Park. The Park Director wanted to expand their play area while matching the look of the equipment they currently had.

Hahn Enterprises was happy to design and install a new Little Tikes Commercial play structure that was not only safe and fun for the kids, but also mirrored the natural color scheme of their existing equipment.

We also spruced up other areas of the park by adding Zeager ADA accessible wood mulch under existing equipment.

With the new equipment and surfacing, Bell Park looks great and offers a safe and inviting place to play!
