Lafayette Parish School Board in High Gear

Lafayette, LA

October was a busy month for Hahn Enterprises in Lafayette Parish! The school board needed new National Recreation Systems aluminum bleachers at both Acadian Middle School for their football field and Comeaux High School for their baseball field. Hahn served as the GC pouring the new concrete slabs for the bleachers and then installing the seating as well.

Carencro Middle School needed their old gym bleachers replaced – and Hahn was the low bidder and installed new electric Sheridan Seating telescopic bleachers!

Different sports, different schools, but the same great quality and dependability from Hahn Enterprises!
