

Project Spotlight: Walker High School

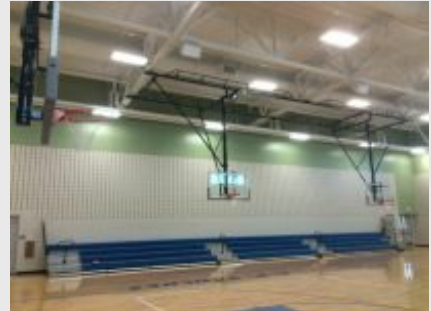

Hahn Enterprises is excited to show off our work at the new Walker High School in Livingston Parish. The new state-of-the-art campus includes an amazing two-story gymnasium. We were happy to install *Sheridan* Bleachers, *Draper* Basketball Goals (ceiling suspended), *Spalding* Basketball Goals (portable) and *AK Athletics* Custom Wall Pads.

This impressive new gym could easily be mistaken for one on a college campus. "It's professional and really top-notch," said Tania Hahn, Hahn Enterprises CEO. "I applaud the folks in Livingston Parish and General Contractor, M.D. Descant, for being so forward-thinking on this project. We really enjoyed working on it and appreciate the long-standing relationships we have with these partners."

At Hahn Enterprises, it's our mission to create inspiring gymnasiums for both athletes and their fans.
