

## SAFETY AND FUN FROM THE GROUND UP!

Hahn Enterprises has been busy this summer creating inspiring play spots for kids! One easy way to make a space fun and safe is to install No Fault surfacing!

Arizona Tot Lot, Greenlawn Park, And Erlanger Park have all gotten new NoFault poured-in-place rubber surfacing installed by Hahn Enterprises this month!

### From Our Youtube Channel:

**EVERYBODY PLAYS!** Check out this huge ADA compliant playground we built at Torres Park in Chalmette.

Did you see us on WWL-TV? We had a blast talking about all of the shade options we offer to keep you cool at the playground this summer!

What's it like to work with Hahn? Hear from some of our valued customers:

All sites had equipment already but desperately needed the surfacing upgraded to meet CPSC safety guidelines. Shock-absorbing safety surfaces from No Fault help protect children against injury from a playground fall.

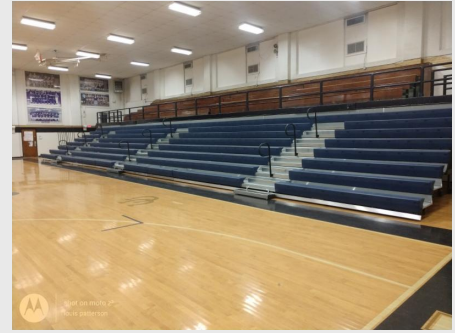

Hahn was the low bid on all these projects and was able to install the surfacing within weeks of being awarded the jobs.

The City of Kenner also plans to install several new playgrounds with Little Tikes equipment, ModernShade shade structures, and of course No Fault surfacing in the next few months.
