Beautifying the Lafitte Greenway was one of our favorite projects! Check out what we did:

Meet Tania, our CEO, and find out why every playground is a labor of love!

Products in Action

received funding for new playground equipment at two schools in Alexandria...with one obstacle: timing. The equipment had to be delivered and installed before the end of their fiscal year in June.

Hahn Enterprises helped design the playgrounds keeping them age appropriate, within budget, and full of fun! The contract was awarded to HEI in mid-March and by the end of April, all work had been completed.

We're happy to say that the kids at D.F. Huddle Elementary School and Acadian Elementary School now get to enjoy the end of their school year on new Little Tikes Commercial equipment and No Fault rubber surfacing. What a great project – within budget and on time – with lots of smiling faces to show for it!

Tonya Normand, Principal at D.F. Huddle had this to say about our work: "I'm MORE than HAPPY with the installation and clean up. Your crew was very professional and efficient! Again, thank you!"

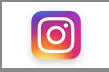

Thanks, Tonya! We hope it's obvious: We LOVE what we do!
