

Hahn Enterprises, Inc.

Hahn Enterprises worked with the Osceola Housing Authority for months to design (4) custom Little Tikes Commercial playgrounds with NoFault poured-in-place safety surfacing, and ICON shelters with recycled plastic picnic tables and solar panels. The project bid in May and was awarded to Hahn, the low bidder.

Within 90 days, all equipment and surfacing, along with final grading and sod, have been installed! The children had a great Labor Day weekend playing on their new playgrounds!!
